“ To Rochel and entire family:

*Everything I ever encountered with your father was pure kindness, thoughtfulness and consideration. Your Dad was always wondering what he could do to make others comfortable and happy. To provide for their needs and more- with love. He was dedicated to his beautiful grandchildren in thoughts and actions, always ready to be there for them with your Mom. May your Dad's legacy of goodness carry and live on eternally in his beautiful family and generations to come, amen! Yehi Zichro Baruch. May his memory be a blessing for all of time.*
