“I am so sorry to read that Bill died. He was a terrific guy, so warm and caring. I know, Judy, that the two of you had a very special loving relationship. I've been living in Atlanta for the past 9 years, and of course remember how wonderful he was. My condolences.

“Bill had been my best friend and love for over 26 years. His love was unconditional and unwavering. Together we built a world of friends, and shared Joys and sorrows. He treated my family almost as if they were his...wanting to know the day-to-day happenings of my granddaughters as they grew up. Bill was truly a giving, unassuming man who was loved by all who knew him. I will always hold dear the memory of his love, and the knowledge that he always had my back.
