*Yale was my teacher at Sinai from 1990-93. I worked w him from 2003-08 at north Oakland as well. He was the best. His humor and his and compassion was endless. We were a close group and I never stopped learning from him. He asked about my family and I appreciated that. Yale thank you for everything. Hope to see you some day in heaven.*

“ *To Yale, one of my favorite teachers as a resident and then guides as I began my practice of anesthesia at NOMC. I owe much of where I am today, to you. Such a great boss, such a good organizer and teacher, such a wonderful anesthesiologist and work partner, a caring man and dear friend. You are missed. Robin Delaney MD*
