“ Mr. Tolwin lived next door to my Zeyda - Nate Levy for years. We ran through his yard, "stole" his raspberries, climbed the little tree between the houses, and sometimes we were invited over for holidays. How he put up with all of us kids.... so much patience. He was a wonderful man and will be thought of fondly always.

Jaime, Larry and Family,
We are so sorry to hear of the loss of your Father. Although we did not know him, hearing you speak told us that he was a very special person. May your memories of him sustain you during this difficult time!

“ Zaidy, having you at my wedding was one of the most meaningful parts of the wedding. When Michael and I started dating, I made your meatball recipe for him. He told you he loved it and you asked “did you like it because Chaya made it or because it’s my recipe”. He said “because Chaya made it”. You asked again. Same answer, so you said “put Chaya on the phone” and then said to me “marry him”. You told the story again at our wedding, and it’s one of my favorite memories!

“ Dear Rabbis Alon and Simcha Tolwin, I felt sad to learn of your father and grandfather’s death this afternoon. I can only imagine how very proud he must be of both of you. Both of you have come to my aid when there was no one else to provide comfort in my time of need. May Hashem bring that same comfort and peace to you and your families during this time. May his memory be for a blessing.

Sincerely, Ruth Ann Grimaldi
