“ My name is Rhonda Larkin. I was employed as a receptionist at Waltonwood Assisted Living when I met Zelman. Zelman and I used to do crossword puzzles together and had many nice chats and lots of laughs. "Don't cry because it's over; smile because it happened." - Dr. Seuss. I am grateful to have known Zelman. My blessings to his entire family and friends.

“ I became Zalman's telephone friend (A part of the Jewish Chaplaincy Services) during the Covid19 Lockdown.

We would speak at least once a week. Our conversations were always enlightening, funny, serious, political, our families (he was so proud of his nieces and nephews) and how we arrived at this time in our lives. He was always happy to hear my voice- I know he had a smile on his face by the way he spoke to me.

Not long ago I was making cookies while we were talking, he said they sounded delicious and the next day I dropped off a care package...He excitedly called to say the package was received and he wasn't going to share with anyone!!!

I will miss our weekly conversations and hearing his wonderful laugh!

My Deepest Condolences to his family and friends. He will be missed by many. May his memory always be a blessing.

Through the Jewish Chaplaincy, I too have known Zalman for 7/8 years and so enjoyed his company. I would visit with him and enjoy his company, his wit and intelligence. Always a smile and so interesting. I miss him already. :(
