Aaron, we only met briefly, but I called on your mother and father when they distributed Ford parts. It was a pleasure to work with them, I was young and learned much more from them than strictly related to the business. Along with Lee, and occasionally Joel, we sat for hours across the street at "The Clock". I honor their memories. Tony Pastor

“ *We will always remember Zelda's welcoming smile, laugh, curiosity, compassion, and love for her extended family and friends. Also, we will always remember having lunch with Zelda, Zelig and Renee outside of East Lansing about 10 years ago where we marveled at their intelligence, their desire to keep up with all politics and social issues, and their ability to always keep the conversation going. May Zelda's memory always be a blessing for her family and friends. Love Barbara Parker and Geoff Wahl*

“ *Dear Aaron and family,
I am so saddened to hear that Dear Zelda has left us. Your parents and mine were such good friends and I have many fond memories of visiting when we were younger. Zelda was very kind to me after my Mother passed away in 2020, and we tried to keep in touch by phone. I regret not speaking to her more often. She was a lovely person, and hope that her memory will always be a blessing, and that you can find some comfort in the coming days.*

*Love,
