“ *Our sincere condolences to the Landy family. Zel was a kind hearted person. I only knew him through business, and we had a long relationship with him right up to the time he closed his business. He was patient and professional. A light has been extinguished with the passing of Zel.*

*I'm certain there are many happy memories to hold on to for his family.*

“ My sincere condolences to the entire Landy family. My heart is heavy today knowing that Zel has left us. All of the years that we spent together in business, in life, and in friendship will be cherished memories that will remain always with me. I do so appreciate all that he did for me over the years. The world has lost a truly good human being. I know that Zel will be missed by many, inclusive of myself. He will always possess a special place in my heart and mind.

“ Oh my dear Zelig - how I am going to miss you! Cleaning your teeth was never just a dental prophylaxis. First we caught up on family, what was happening in each other's lives, shared Hebrew and so many, many laughs. I always looked forward to seeing this wonderful man and his passing leaves me with wonderful memories and a very sad heart.

*I was blessed to know him and I know it.*

“ When I was a child I had my "Zel & Zel" uncle and aunt. It was special and other children thought it was funny. Although we lived far away from them and did not share day-to-day life, Zelig and Zelda were always such a part of my life as if they were living close by. knowing that Zelig is no longer with us has left a hole in my heart.
